Sorry to be a pain -- Would one of you mind emailing to me EPA's letter agreeing to close out the FFCA -- I need to put my hands on it quickly, and am away from my desk. Thanks!

Stef,

I have attached a letter that we will dispatch via US Mail on Monday to the Office of Compliance and Enforcement, Water Protection Division.

Jim Bemis and I have discussed it.

This letter enumerates the actions Washington Aqueduct has taken to fulfill its obligations under the FFCA (CWA-03-2003-0136DN).

We appreciate the assistance you have given us as we envisioned, designed and built the facilities to allow us to have an alternative to the routine, <<Washington Aqueduct FFCA Closeout.pdf>> systematic discharge of the residuals in the Potomac River.

Tom
